

Celebration of World Environment Day 2018

June 5, 2018: World Environment day was celebrated in the college on June 5, 2018. The programme was started with plantation of trees in the college premises by the Principal Dr.D.Nath along with Vice-Principal, Faculty Members, Non-Teaching staff and students' community represented by Students Union of the college. After the plantation programme, a meeting on Environmental Awareness was organised by the IQAC where the students, teaching and non-teaching staff of the college were present. A Resource Person was invited by the IQAC to deliver a talk on environment protection to the students and staff of the college. Dr. Girindra Kalita, a renowned environment activist and Associate Professor of Zoology, Gauhati College, acted as a Resource Person in the meeting and the meeting was presided over by Dr.D.Nath, Principal of the college. Dr. Kalita expressed his concern about the environment destruction done by the human being. He also shared his experiences gained from his field survey on environment destruction done by the human being by way of presenting different photographs/slides to the students and staff. He finally appealed to the students and staff to take small step such as not to use plastics to carry goods and use eco-friendly carry bags instead of plastic bags and play an active role to safe the environment and future of the mankind. The meeting was ended with a vote of thanks.
